AMBASSADOR FOR SPORT PROGRAMME

CASTLEWAY SPONSORS LOCAL ELITE ATHLETES

A Castleway Construction sponsored athlete has achieved an international cap as part of the England under 18's rugby team. Tom Heathcoat, who is a member of the Bath rugby academy, is part of Bishop Wordsworths 5 year 'Ambassador for Sport Programme' and Castleway's co-sponsorship has helped their elite athletes buy equipment and obtain personal coaching.

The Ambassador for Sport Programme was set up by Bishop Wordsworths School in 2008 to identify and develop top sporting students. In order to do this, local businesses were approached to see if they would like to participate in a 5 year sponsorship and 7 students were subsequently given the bursary.

Castleway's managing director, Mark Bugden said, "We are pleased that Tom has progressed so well but our sponsorship is not primarily targeted towards rugby players and I look forward to seeing how our next sponsored young athlete develops in the coming season".
